About Us

Established on October 3rd, 2005, Thang Long Logistics Co. Ltd. (TLC) is a Vietnamese company specializing in oil & gas logistics services. Together with the local and international teams, both with more than 15 years of professional experience in the Logistics industry, TLC can be trusted to offer the best logistics solutions and services to all the organizations operated within Vietnam and South East Asia or European/American.

Our Vision

With a wide network of local and international service providers, TLC strives to become a leader in the industry, providing logistics services and solutions for any organization, local or international.

Our Mission

Bringing the best logistics solution service to clients, which helps reduce cost and save time at least 5-10% compared to other service providers on the market.

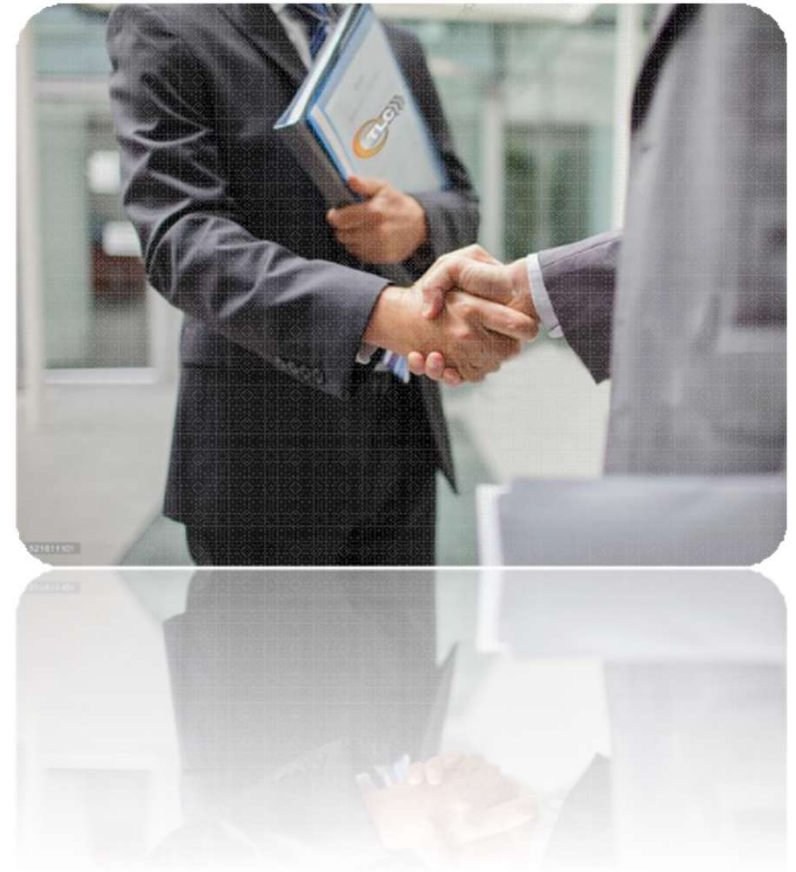

Our Slogan

The right cargo at the right cost and right time.

Our Business Strategy

Recruiting	Recruiting talented employees in order to generate new business initiatives for the expansion of the company.
Building	Building new client relationships while maintaining current ones.
Carrying	Carrying out the Quality Management system by implementing Kaizen activities on daily basis
Developing	Developing proper logistics solution package for clients by working closely with local authorities and service providers.
Reducing	Reducing labor risk by complying with the OH&S regulation related to Health and Safety.
Expanding	Expanding the network of both local and international service providers to offer cost-competitive and high-quality services.
